MEMORANDUM FOR LIEUTENANT GENERAL RICHARD CODY, DEPUTY CHIEF OF STAFF, G3, 400 ARMY PENTAGON, WASHINGTON, DC 20310

SUBJECT: Request One-Time Waiver to AR 95-1 Aircraft Currency Requirements

1. Due to Operation Iraqi Freedom (OIF) redeployment timelines and reintegration training, USAREUR requests a one-time waiver to maintain aircraft currency IAW AR 95-1, paragraph 4-18 a & c.
2. USAREUR requests a 60-day extension to currency requirements following crewmembers' last flight in Iraq or Kuwait. Extension will apply to rated and non-rated crewmembers.
3. The duration between most recent OIF flights and arrival of aircraft at home port is expected to exceed currency standards. Uncurrent aircrews will delay ferry missions from port to home station and adversely affect reconstitution training timelines.
4. Waiver will be used once per crewmember and is void after the crewmembers' first flight in USAREUR AOR. An appropriate entry will be made on the aviator's DA Form 7122-R citing currency extension.
5. Points of contact are HQ USAREUR/7A, G3, Aviation Division at DSN 370-9489 and UASSD Standardization Officer at 467-4734.
